

What Ever Happened To Peace On Earth

C Am
 There's so many things going on in the world
 F Fm
 Babies dying, Mothers crying
 C G7
 How much oil is one human life worth?

 And what happened to peace on earth?
 C Am

 We believe everything that they tell us, They're gonna' kill us
 Fm C
 So we gotta' kill them first
 F Fm
 But I remember a commandment
 C Am
 "Thou shalt not kill"
 D7 G7
 And how much is that soldier's life worth?
 F C
 And what happened to peace on earth?
 [Bridge]:
 F F C
 And the bewildered herd still believin
 F F C
 Everything we've been told from our birth
 F Fm
 Hell they won't lie to me
 C Am
 Not on my own damn TV
 D7 G7
 But how much is a liar's word worth?
 F C
 And whatever happened to peace on earth?
 C Am F C
 So I guess it's just "Do unto others" before they can do it to you
 F F C Am
 Let's just kill em' all and let God sort em' out
 D7 G7
 Is this what God wants us to do?
 [Repeat Bridge]
 C Am
 Now you probably won't hear this on your radio
 F Fm C
 Probably not on your local TV
 F Fm C Am
 But if there's a time, and you're ever inclined
 D7 G7
 You can always hear it from me
 G7
 But how much is one picker's word worth?
 C
 And what happened to peace on earth?
 C Am
 But don't confuse caring for weakness
 F Fm C
 You can't put that label on me
 F Fm C Am
 The truth is my weapon of mass protection

D7

And I believe the truth sets you free

G7

[Repeat Bridge]
