

## You Could Touch Her At All

[C] Funny a woman can come on so wild and fr[F]ee,  
 And in[G7]sist I don't watch her undress but watch her watch [C]me.  
 And stand by my bed and shiver as if she were co[F]ld,  
 She could [G7] be worth the world if somehow you could touch her at  
 [C]all.

[CHORUS]

One night of love don't make up for six nights a[F]llone,  
 But i'd ra[G7]ther have one than none lord cause I'm flesh and bo[C]ne,  
 Sometimes it seems she aint worth the trouble at a[F]ll,  
 She could [G7]be worth the world if some how you could touch her at a[C]ll.

\*\*\*NOW CHANGE TO THE KEY OF [D]

Ri[D]ght or wrong a woman can own any m[G]an,  
 She can ta[A]ke him inside her and hold his soul in her ha[D]nds,  
 And leave as weak and weary as a new born ch[G]ild,  
 Just fi[A]ghting to get his first breath and open his ey[D]es

[CHORUS]

One night of love don't make up for six nights a[G]llone,  
 But I'd ra[A]ther have one than none lord cause I'm flesh and bo[D]ne.  
 Sometimes it seems she aint worth the trouble at a[G]ll,  
 She could be worth the world if somehow you could touch her at a[D]ll.
