We're The Couple In The Castle Lyrics

We're at Nineteen Moonbeam Terrace,  
Overlooking Starlight Square,  
We're the couple in the castle  
Way up high in the air!  
On the corner there's a cloud bank,  
and we bank our millions there  
We're the couple in the castle in the air.

One day a daydream came a stealing  
Through the gloomy part of town.  
Well, that daydream brought us way up here  
And we'll never come down  
Call us Lord and Lady Stardust,  
Call us crazy, we don't care,  
We're the couple in the castle in the air
