My nights have been lonely since I've been in Tulsa county
A B E
And I really don't know what I'm gonna do
B A B
I just might take a trip somewhere across the southern border
A B E
Cause I know I've gotta get away from you
A E A
I don't know just where I'll go
E B A G#m B E
I believe I'll ride it down to Mexico down to Mexico

E B A G#m B
Got your note in Charlston said you needed my assistance
A B E
But when I got there you didn't need me then
E B A B
I may not be a wise man but I know this life your leading
A B E
You learned your tricks from lots of other men
A E A
I don't know just where I'll go
E B A G#m B E
I believe I'll ride it down to Mexico down to Mexico
