

Because You Are My Lord-Psalm 4

You've put gladness in my heart, O Lord;
There is nothing else like it found
It's a greater joy than others experience
When harvest time comes around.

You've put gladness in my heart, O Lord;
There is nothing else like it found
It's a greater joy than others experience
When wheat and new wine abound.

Because You are my Lord, I lie down in peace;
Because You are my Lord, my cares I release;
Because You are my Lord, a constant watch You keep;
Because You are my Lord, safe is my sleep;
Sweet and secure is my sleep.
