

**Ride on triumphantly! Behold, we lay**

Ride on triumphantly! Behold, we lay  
our lusts and sins and proud will in thy way:  
the road is ready, and thy paths made straight  
with longing expectation seem to wait.

Hosanna! Welcome to our hearts! for here  
thou hast a temple too, as Zion dear:  
enter, O Lord, and cleanse that holy place  
where thou dost choose to set thy beauteous face.
