

# Major Pentatonic Scales for Guitar

Major Pentatonic Scales for E, F, F# & G with tab for standard tuned guitar. - [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

## Major Pentatonic Scales Guitar in standard tuning E-G

The image displays four major pentatonic scales for guitar in standard tuning (E-G). Each scale is presented in a system consisting of a treble clef staff with a melodic line and a six-string guitar tablature below it. The scales are: E major (notes: E, F#, G, A, B), F major (notes: F, G, A, B, C), F# major (notes: F#, G, A, B, C#), and G major (notes: G, A, B, C, D). The tablature shows the fret numbers for each note on the strings, with fingerings indicated by numbers 1-4. For example, the E major scale starts on the open E string (0) and uses fingers 1, 2, 3, 4, 2 for the notes F#, G, A, B, C respectively.

A midi of the scales can be heard [HERE](#), this plays all the pentatonic scales from C to B.

*The above graphics are in high definition 300 DPI and will print brilliantly even if the screen display is not that good.  
Please also note that in some cases it may be possible to play the scales on other strings than those show, this is not a problem, as in many cases the octave used will be unimportant.*
