

## Babe, I'm Gonna Leave You

Babe, I'm gonna leave you  
Tell you when I'm gonna leave you  
Leave you when ol'summer time,  
Summer comes a-rolling  
Leave you when ol'summer comes along  
Babe, the highway is a-callin'  
The old highway's a-callin'  
Callin'me to travel on, travel on out the Westward  
Callin'me to travel on alone  
Babe, I'd like to stay here  
You know I'd really like to stay here  
My feet start goin'down, goin'down the highway  
My feet start goin'down, goin'down alone  
Babe, I got to ramble  
You know I got to ramble  
My feet start goin'down and I got to follow  
My feet start goin'down, and I got to go
