

## Love Song To A Stranger

How long since I've spent a whole night in a twin bed with a stranger  
His warm arms all around me?  
How long since I've gazed into dark eyes that melted my soul down  
To a place where it longs to be?  
All of your history has little to do with your face  
You're mainly a mystery with violins filling in space

You stood in the nude by the mirror and picked out a rose  
From the bouquet in our hotel  
And lay down beside me again and I watched the rose  
On the pillow where it fell  
I sank and I slept in a twilight with only one care  
To know that when day broke and I woke that you'd still be there

The hours for once they passed slowly, unendingly by  
Like a sweet breeze on a field  
Your gentleness came down upon me and I guess I thanked you  
When you caused me to yield  
We spoke not a sentence and took not a footstep beyond  
Our two days together which seemingly soon would be gone

Don't tell me of love everlasting and other sad dreams  
I don't want to hear  
Just tell me of passionate strangers who rescue each other  
From a lifetime of cares  
Because if love means forever, expecting nothing returned  
Then I hope I'll be given another whole lifetime to learn

Because you gave to me oh so many things it makes me wonder  
How they could belong to me  
And I gave you only my dark eyes that melted your soul down  
To a place where it longs to be
