

A Few Old Memories

G

Just a few old memories

C

Slipped in through my door

G

Though I thought I had closed it

D

So tightly before

G

I can't understand it

G

C

Just a few old keep-sakes

G

Way back on the shelf

C

No, they don't mean nothin'

D

Well I'm surprised they're still left

G

Just a few old love letters

C

With the edges all brown

G

And an old faded picture

D

G

I keep turned upside-down

G

Just a few old memories

C

Going way back in time

G

Well I can hardly remember

D

I don't know why I'm cryin'

G

I can't understand it

C

Well I'm surprised myself

G

First thing tomorrow morning

D **G**

I'll clean off that shelf

G **C**

Just a few old keep-sakes

G

Way back on the shelf

C

No, they don't mean nothin'

D

Well I'm surprised they're still left

G

Just a few old love letters

C

With the edges all brown

And an old faded picture
