1. I gave up cigarettes
I haven't had to light one yet

C D G

And it's been a year since I stopped
The same goes for alcohol
I don't touch the stuff at all

C D G

And I used to drink till I dropped

Em C D

Those were tough this is easy

Em C Dsus-D

And it feels so good to say

C D G C

Forgetting you is not that hard to do

G D G

I've done it a thousand times a day

2. Friends said it'd take some time

To get you off my mind

They thought I'd never let you go

Well, I guess I proved them wrong

One more bad habit gone

Just like the whiskey and the smokes

Those were tough this is easy

Well, I'm alright yeah I'm okay

Forgetting you is not that hard to do

I've done it a thousand times a day

B. I've given you up for good

Just like I said I would

Em C Dsus-D

The night you walked away

Forgetting you is not that hard to do

I've done it a thousand times a day
