

An American Dream

D I beg your pardon **G** momma what did you say

A My mind was drifting on a **D** Martinque day

G It's not that I'm not interested you see

A Augusta Georgia is just no place to be

G I think Jamaica in the moonlight

A Sandy beaches drinking rum every night

D We've got no money **G** momma but we can go

A We'll split the difference **D** and go to Coconut grove

D Just keep on talking **G** momma I can hear

A Your voice it tickles down inside of my ear

D I feel a tropical vacation this year

A Might be the answer to this **D** Hillbilly beer

G I think Jamaica in the moonlight

A Sandy beaches drinking rum every night

D We've got no money **G** momma but we can go

A We'll split the difference **D** and go to Coconut grove

D Viola an **G** American dream

A We can travel girl without any means

D When it's as easy as closing your eyes

A And dream **D** Jamaica is a big neon sign

SOLO

D Just keep on talking **G** momma I like the sound

A It goes so good with that rain poring down

D **G**

I feel a tropical vacation this year

A **D**

Might be the answer to this Hillbilly beer

G

I think Jamaica in the moonlight

A **D**

Sandy beaches drinking rum every night

D **G**

We've got no money momma but we can go

A **D**

We'll split the difference and go to Coconut grove

D **G**

Viola an American dream

A **D**

We can travel girl without any means

D **G**

When it's as easy as closing your eyes
