

FGC

VERSE 1

C

The wind is blowing 'round my cabin

F G C

I hate to hear that lonesome sound

C

I'm all alone and so downhearted

F G C

Since my true love ain't a round

CHORUS

C

I hate to see that sun a-sinking

F G C

Another night to toss and turn

C

Another night to dream about her

F G C

Another night for her I'll yearn

VERSE 2

She had no cause to go and leave me

For I had never done her wrong

She left her home and little children

Now with another man she's gone

(CHORUS)

VERSE 3

The children they are soundly sleeping

They don't know their mother's gone

What will I do when they awaken

And I tell them of their mother's wrong

(CHORUS)
