

Last Cheaters Waltz

Sonny Throckmorton

She was going to pieces-When he walked in the door
She had to see him-She can't wait no more
Tonight he'll be with her-No matter the cost
As the band plays-The Last Cheater's Waltz

He tells her he loves her-As the band plays on
He tells he loves her-But someone's at home
The ball game's all over-And she knows she's lost
As the band plays-the The Last Cheater's Waltz

And ooooooohh-don't they sound lonely
And ooooooohh-don't they play sad
Ooooooohh-three quarters only
Watch how he holds her-As they dance,
to the Last Cheater's Waltz
