

G C  
This nine-pound hammer is a little too heavy,

D7 G  
Buddy, for my size, buddy for my size.

Chorus:

C  
So roll on, buddy, don't you roll so slow.  
D7 G  
How can I roll, when the wheels won't go?

Ain't nobody's hammer in this mountain  
That rings like mine, that rings like mine.

Well I went up on the mountain just to see my baby  
And I ain't a-coming back, Lord,  
I ain't a-coming back.

It's a long way to Hazard, it's a long way to Harlan  
Just to get a little booze, just to get a little booze.
