**A faded red ribbon**

A lock of your hair and a faded red ribbon  
Is all I have left to remind me of you  
A lock of your hair and a faded red ribbon  
Is all I have left of a love we once knew  
Is all I have left of a love we once knew

I know I mistreated you and you went away  
You found somebody new and now I must pay  
Listen here boys if you have a sweetheart  
Show her you love her and make her your wife  
For the lock of her hair and a faded red ribbon  
Will make you unhappy for the rest of your life  
Will make you unhappy for the rest of your life

listen here boys is you have a sweetheart  
Show her you love her and make her your wife
