**A fool such as I**

Pardon me if I'm sentimental when we say goodbye  
Don't be angry with me darling should I cry  
When you're gone I'll dream a little dream as years go by  
Now and then there's a fool such as I

Now and then there's a fool such as I am over you  
You thought me how to love and now you say that we are thru  
I'm a fool but I love you dear until the end of time  
Now and then there's a fool such as I
