Angel band

My latest sun is sinking fast
My race is nearly run
My longest trials now are passed
My triumph has begun

On come angel band
Come and around me stand
Bear me away on your snowy wings
To my immortal home
Bear me away on your snowy wings
To my immortal home

Oh, bear my loving heart to him
Who bled and died for me
Whose blood now cleanses from all sins
And gives me victory

* Refrain

I've almost reached my heavenly home
My spirit loudly sings
The holy ones, behold they come
I hear the noise of wings

* Refrain
