Baby I'm in love with you

Baby I'm in love with you
Drowned in your eyes so blue
Tell me that you love me too
I just want to be with you

Come and let me hold your hand
Till I make you understand
I just want to be your man
Baby I'm in love with you

I'm forever building dreams
Around your pretty head it seems
Do you want to spoil my dreams
By saying that you'll never be mine

I'll take an ocean trip
Just to kiss your dear sweet lips
I would walk a million miles
To hear you say you love me too

I'm forever building dreams
Around your pretty head it seems
Do you want to spoil my dreams
By saying that you'll never be line

I'll take an ocean trip
Just to kiss your dear sweet lips

I would walk a million miles
To hear you say you love me too
I'll be your for ever more
Baby I'm in love with you
