

**Bluegrass Songs - Lyrics**

**Better late than never**

Better late than never  
Better let you see  
Better late than never  
Darlin' wait for me

The other night I seen my girl  
We had a date  
Supposed to been there at seven  
Showed up at eight

\* Refrain

Yonder comes a man into my house  
For his revenue  
He said I'll pay it up my friend  
Give me a day or two

\* Refrain

Now if you love your women  
Like I do mine  
Give 'em a little lovin'  
Just any time

\* Refrain
