**Blue eyes crying in the rain**

In the twilight glow I see her  
Blue eyes crying in the rain  
As we kissed goodbye and parted  
I know we'd never meet again

Love is like a dying ember  
Only memories remain  
Through the ages I'll remember  
Blue eyes crying in the rain

Now my hair has turned to silver  
All my life I've loved in vain  
I can see her star in heaven  
Blue eyes crying in the rain

Someday when we meet up yonder  
We'll stroll hand in hand again  
In a land that knows no parting  
Blue eyes crying in the rain
