

Bluegrass Songs - Lyrics

Blue is the way that I feel

Well I'm on my way tonight
And I hope the road is right
For I've got to have you back
Even if I have to steal
Blue, is the way that I feel

I've been on this road so long
I guess your love for me is gone
But I'm coming back somehow
For my love for you is real
Blue is the way that I feel
