

**Bouquet in Heaven**

When it's decoration day up in heaven  
There's a bouquet I'm longing to see  
There's a flower somewhere in this bouquet  
And mean's all the world to me

Tonight the old home place's lonely  
Since mother has been called away  
And I know I can never more see her  
Till we meet on that decoration day

\* Refrain

I remember the night the angels called her  
To live on that beautiful shore  
It left us so lonely without her  
It can never be home anymore

\* Refrain
