**Cabin home on the hill**

Tonight I'm alone without you my dear  
It seems I long for each day  
All I have to do is sit alone and cry  
In a little cabin home on the hill

Oh, someone has taken you from me  
And left me here all alone  
Listen to the rain put on our window pane  
In a little cabin home on the hill

I hope you are happy tonight as you are  
But in my heart there's a longing for you still  
I just keep it there so I won't be alone  
In a little cabin home on the hill

\* Refrain

Now when you have come to the end of the way  
And find there's no more happiness for you  
Just let your thoughts turn back  
One more if you will  
To our little cabin home on the hill

\* Refrain
