Chime bells

Out on the mountain so happy and free
There lives a maid and she's waiting for me
Out on the lake we'll drift with the tide
And hear those chime bells ring

Oh, chime bells are ringing
Yodel--O--Hoo-Dee--
Mocking Birds singing
Dee--Oh--Oo--Oh--Oo--Oh--Oo--Hee
Sleep my little lover
Oh--Dee--Oloho--Dee
Upon a summer's eve

Moonbeams were shining as I kissed her there
Night-birds were singing Perfume filled the air
Each little star just twinkled with glee
While Heaven smiled on me
