Come back darling

Tonight as you sit by my wondow
I'm reading your letter so true
I'm hoping to find it in your letter
Where you say I'll come back to you

Oh come back to me little darling
I miss you each day and each night
Oh come back to me little darling
Don't leave me alone all my life

I know I can never be happy
No matter whatever I do
I know its harsh and lonely without you
Oh won't you come back and be true

* Refrain

Oh, what will I do without you
My life is so lonely and blue
No matter what happens my darling
I just can't forget loving you

* Refrain
