

**Darby's ram**

Wasn't he a big one boys  
Wasn't he a big one boys  
Wasn't he a big one boys  
Before they cut him down

This old ram he had a horn  
It reached up to the moon  
A man went up in January  
And he never got back 'til June

Well the wool that grewed on that ram's back  
Reached up to the sky  
Eagles built their nest in it  
For I heard the young ones cry

\* Refrain

My daddy had a ol' buck sheep  
And then you heard him say  
One of the finest ram's sir  
And every foot he had sir  
That ever fed on hay

He had four feet ot walk sir  
And he had four feet to stand  
And every foot he had sir  
Would cover and acre of land

\* Refrain

Now the butcher man that cut him down  
Was washed away in the blood  
And the little boy that filled the bowl  
Was drowned away in the flood

\* Refrain
