**Don't let Smokey mountain smoke get in your eyes**

Don't let Smokey mountain smoke get in your eyes  
If you do I'm tellin' you  
You'll wan't to live there the rest of your life  
If Smokey mountain smoke gets in your eyes

If you're looking for a place you will love  
Smokey mountain Cherokee  
The closest place to Heaven that I know of  
Smokey mountain Tennessee

\* Refrain

Gattlinburg precious jewel the mountain treasure  
Smokey mountain paradise  
You'll want to live in the smokies forever  
If Smokey mountain smoke gets in your eyes

\* Refrain
