Don't think twice

There ain't no use in sitting and wondering why (Babe)
If you don't know by now
There ain't no use in sitting and wondering why (Babe)
It will never do somehow
When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm traveling on
Don't think twice it's all right

There ain't no use in turning on your light (Babe)
The light I've never known
There ain't no use in turning on your light (Babe)
I'm on the dark side of the road
Well, I wished there was something you would do or say
To try to make me change my mind and stay
We never did too much talking in the rain
Don't think twice it's all right

There ain't no use in calling up my name (Gal)
Like you've never done before
There ain't no use in calling up my name (Gal)
Cause I can't see you anymore
Well, I'm a thinking and a wondering walking down the road
How I just loved the woman her child I am told
I had given her my heart, but she wanted my soul
Don't think twice it's all right

So long honey baby
Where I'm bound I can't tell
Goodbye to good word babe
So I'll just say fair the well

Now I ain't saying that you treated me unkind
You could have done better, but I don't mind
You just kind of wasted my precious time
Don't think twice it's all right
