**Don't you know I love you Charlie Brown**

Don't you know that I love you Charlie Brown  
I just lose my senses when you come around  
With that little lock of hair that won't turn down  
Don't you know that I love you Charlie Brown

Don't you know that I love you Charlie Brown  
I think you're the cutest little boy in town  
You're so bashful every time I come around  
Let me get a little closer Charlie Brown

If you'd just love me I wouldn't give a hoot  
If all the other girls think you're so cute  
I'm so jealous of them always hanging around  
Don't you know that I love you Charlie Brown

Never grow up Charlie always be a boy  
For you bring so many people so much joy  
You're so funny even though you're not a clown  
Don't you know that I love you Charlie Brown
