

**Down the road**

Down the road, down the road  
got a little pretty girl, down the road

Now down the road just a mile or two  
There's a little girl named "purty blue"  
Bout so high and her hair is brown  
Purtiest thing, boy, in this town

\* Refrain

Now anytime you want to know  
Where I'm heading it's down the road  
See that girl on the line  
You'll find her there most any ol' time

\* Refrain

Now everyday at sunday school  
I go to see my purty blue  
Before you hear that rooster crow  
You'll see me headed down the road

\* Refrain

Clearin' your eggs drawn over the farm  
From the hogwalk through the barn  
From the barn to the rail  
Man is living by curling mail

\* Refrain
