**For the Bible tells me so**

When you're troubled and distressed  
Pray to God please give you rest  
He will I know for the Bible tells me so  
Ask your father in the sky  
To cleanse a sinful soul that crys  
He will I know for the Bilbe tells me so

For the Bible tells me so  
And I want the world to know  
He will I know  
For the Bible tells me so

If you're wanting peace of mind  
Leave old Satan far behind  
Take up they cross and follow him  
Moses stood on holy ground  
He felt God's presence all around  
I know, I know, for the Bible tells me so
