Forgive me

Forgive me for all the pain I've cause you
Forgive me for unkind words I've said
I thought once that I could live without you
Please forgive me and I'll make it up somehow

I left you and left you broken hearted
I left you but now I can't forget
I thought cnce that I could live without you
But I'm paying with a broken heart instead

I wish I had never made you blue sweet heart
I wish I could live it over now
I thought once that I could live without you
Please forgive me and I'll make it up somehow
