Georgia bound

I'm Georgia bound, gotta find my baby
That gal of mine has left this town, town, town
Just losin' her, gonna drive my crazy
I'm on my way I'm Georgia bound

That gal of mine left me this morning
Said she was tired of hanging round, round, round
But I don't care can't live without her
gotta bring her back I'm Georgia bound

* Refrain

Two red, red lips as sweet as honey
And golden hair, her eyes so brown, brown, brown
She's on that train bound for Atlanta
I'll bring her back, I'm Georgiaa bound

* Refrain
