**Go out and find somebody new**

I've tried so hard to make you happy  
There's just one thing left to do  
But if I can't ever make you happy  
Go out and find somebody new

I love you like the trees love sunshine  
God knows how much I love you  
But if I can't ever make you all mine  
Go out and find somebody new

I've tried so hard to make you love me  
Just like other sweethearts do  
But if I can't ever make you love me  
Go out and find somebody new

I know I'll miss you so much darling  
I know my heart will break in two  
I know I want you to be happy  
Go out and find somebody new
