Goodby little darlin'

Lately you treat me so cold
And turning your back when you speak
You always give me the cold shoulder
And the only kiss you give me is on the cheek

So goodby little darlin' I'm leavin'
I'll never again walk thru your door
I can tell by the way that you treat me
That you don't love me anymore

You never put your arms around me
And hold me the way you used to do
I can't stay any more, I'm not wanted
It's all over darlin' me and you

* Refrain
