I don't believe you met my baby

Last night my dear the day was falling
I went t bed so sad and blue
Then I had a dream of you

I dreamed I was strolling in the evening
Underneath the harvest moon
I was thinking about you

Then we met out in the moonlight
The stars were shining in your eyes
But another was there too

I don't believe you met my baby
You looked at him, you looked at me
I wondered who you were talking to

I shook the hand of your stranger
But I was shaking more inside
I was still wondering to

Your arm was resting on his shoulder
You smiled at him, he smiled at you
His eyes were filled with victory

He said my sister wants to marry

Then my heart was filled with ease
I knew that you would marry me
