

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

I guess it doesn't matter anymore

There you go now, baby, and here am I
Well you left me here so I could sit and cry
Hooey baby how you drove me crazy
Guess it doesn't matter anymore

Do you remember baby last September
How you help me tight each and every night
Golly gee what have you done to me
Guess it doesn't matter anymore

There's no use in me a-crying
And I've done everything
Now I'm sick of trying
And I've thrown away my nights
Wasted all my days over you

You go your way, baby, and I'll go mine
Now and forever til the end of time
We'll find somebody new
Baby we'll say we're through
You won't matter anymore

* Refrain
