

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

I guess it's only right that I should pay

You'll own a part of me my dear forever
Some things you give can never be returned
The flame of love that once burned oh so brightly
Is growing dim and how my poor heart yearns

Maybe it will break into tomorrow
But I'll remember only yesterday
And if my life is filled with pain and sorrow
I guess it's only right that I should pay
