

Bluegrass Songs - Lyrics

I still miss someone

At my door the leaves are falling
A cold night wind will come
Sweethearts walk by together
And I still miss someone

Oh I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if she's sorry
For leaving what we begun
There's someone for me somewhere
And I still miss someone

No I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

When all the love was there
