

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

I'll just pretend

You spurned the love I gave you darling
The love you once was proud to own
You've found someone whom you love better
And in my grief I'll walk alone

I'll just pretend that I don't love you
I'll just pretend that I don't care
And when I meet you to face dear
I'll turn my head, I'll just pretend

Those happy hours we spent together
Forever in my heart will live
That's all I have for each tomorrow
Though we will never meet again

* Refrain

I'll try my best to forget you
To love you now is such a sin
And as I'm facing all my freinds dear
They'll understand, I won't pertend

* Refrain
