I'll never she'd another tear

I used to sit up all night and worry little darling
For I thought you meant the world to me
But now things have changed and those days are gone forever
Oh, I'll never she'd another tear

I'll never she'd another tear now I don't care what happens
You have proved your love untrue to me
There's nothing you can do that will ever change my feeling
So I'll never she'd another tear

With a broken heart I'll never forget the vows you made together
The many times you told me not to fear
But now you've forgotten and you've left me here forever
Oh, I'll never she'd another tear

* Refrain

Now you should have told me that you were nly fooling
Then I'd never have learned to love you so
Then I wouldn't have all these heartches my darling
Darling the day I see you go

* Refrain
