**I'm a pilgrim**

I'm a pilgrim and a stranger  
Traveling through this worrisome land  
I've got a home in that yonder city  
And it's not (God Load it's not)  
Not made by hand

I've got a mother a sister and a brother  
Who have gone on before  
And I'm determined to go and meet them, good load  
Over on that other shore

I'm going down to the river of Jordan  
Just to cleanse my weary soul  
If I could touch but the hem of His garment, good load  
I do believe it would make me whole
