In despair

You must me love you, you made me want you
And now I need you all the time
My heart is sad and I'm so lonely
Each night and day you're on my mind

You broke me heart my little darling
When I called for you, you had another there
But a broken heart will keep on crying
I know you know, I'm in despair

You made me forget of all the other
You made me forger of all the pain
And I thought sweetheart you really loved me
My friends told me it would never last
