

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

Jesus will save your soul

As I go along I'm singing this song
My soul is so glad and free
If I sing this song, I'll never go wrong
For Jesus will care for me

Yes, Jesus will save your soul
He'll make you as pure as gold
Then some beautiful day
With him you as shall stay
Where sorrows are never told

He pleads day by day don't turn him away
Hark to that sweet voice you hear
Place him close to your side, in his love abide
Let Jesus always stand near

* Refrain

If you would live right for Jesus tonight
Turn from your pathway of sin
Some day by his throne he'll make it your home
Where happiness never ends

* Refrain
