

**Just when I needed you**

Just when I needed you  
You left and went away  
You made my life so blue  
Both night and day  
You left me here behind  
With a troubled worried mind  
So broken hearted too  
Just when I needed you

I've cried, I've cried  
I've played, I've tried  
To forget you and never call your name  
What a shame, what a shame  
You're the one that was to blame  
You're the one that proved untrue  
Just when I needed you

You said it's best we part  
And never loved again  
And though it broke my heart  
I won't complain  
You know I love you still  
And dear, always will  
Although you proved untrue  
Just when I needed you
