Let's say goodbye like we said hello

Let's say goodbye like we said in a friendly kind of way
There's something wrong, your love is gone, I've no reason now to stay
We live and love, we meet and part, then broken hearts must pay
Let's say goodbye like we said hello, in a friendly kind of way

Your love sweetheart I won't forget you're always on my mind
You're all the happiness I knew, so thoughtful sweet and kind
For old times sake I'm asking you to think of me someday
Let's say goodbye like we said hello, in a friendly kind of way

I wish you happiness sweetheart in everything you do
May good luck always come your way and every dream come true
I'll remember you and the love we knew, the love of yesterday
Let's say goodbye like we said hello in a friendly kind of way

If I should meet some other dear and learn to love them too
I hope and pray somehow sweetheart they'll make me think of you
A tender smile an old love song a heart so light and gay
Let's say goodbye like we said hello, in a friendly kind of way
