

Little covered bridge

'Twas on a little covered bridge
We met and laughed together dear
Holding hands as lovers do
On a day so bright and clear
You said that you'd be true to me
We kissed upon the ridge
But you have found another love darling
On that little covered bridge

Found another love darling
On that little covered bridge

You broke my heart and went away
Never more to have you near
And when I die and leave this world
Would you laugh or shed a tear
And when you tell him you'll be true
And kiss him on the ridge
Will you try to think of me darling
On that little covered bridge

Try to think of me darling
On that little covered bridge
