**Living in the past**

You told me that you loved me and always would be mine  
But now you've gone and left me with troubles on my mind  
Everybody told me that our love wouldn't last  
I can't live for the future so I'm living in the past

Tear drops, heartaches, I knew that our love wouldn't last  
Lonely, worried darling, I'm living in the past  
Someday I know your new love is gonna let you down  
But I'll be waiting for you, I'll still be around  
Now you're free and happy and living much too fast  
While I'm blue and lonely and living in the past
