**Lord protect my soul**

Down life's highway alone I taught  
I always put my trust in God  
But you'll find out  
That your silver and gold won't pay  
The price to protect your soul

Oh, I want the Lord to protect my soul  
To lead me on to the heaven shore  
My life down here will soon be oer  
If you want the Lord to protect your soul

There's many a church down life's highway  
Where people sing, rejoice and praise  
Why don't you stop at once and join the folk  
And ask the Lord to protect your soul

\* Refrain

When this old world is soomed with sin  
You'll cry oh Lord please let me in  
But then it'll be too late to make your goal  
And ask the Lord to protect your soul

\* Refrain
